

Break Out & Retest

- When Double top happened it breaks and retest at same point recent HH.
- It will not touch exact double bottom slight low from the last high.
- If the price break with in 3 days Break out pullback is small.
- If the price break more then 5 days Break Out Pull back is high. But exact previous High
- Example QQQ Aug 05 2026 to Aug 14 2026. 1Hr time frame.
